HARBOUR HOUSE HOTEL AND NIAGARA-ON-THE-LAKE WIN BIG

This week, **Trip Advisor**, the largest consumer based travel site in the World, announced their 2012 Travellers' Choice Top 25 Awards. **Harbour House Hotel**, a 31 room boutique hotel, located in Niagara on the Lake, was rated the #1 hotel in Ontario and the town of Niagara on the Lake was named the #1 Food and Wine destination in Canada. The Travellers' Choice Top 25 Award is based on independent guest reviews.

“We are absolutely thrilled by the Trip Advisor award because it is the voice of our guests”, says Ryan Murray, General Manager of Harbour House Hotel. “This past November, Harbour House was given the highest quality assurance ranking in Ontario by the Ontario's Finest Inns, Hotels and Spas organization. I am delighted to know that the travelling public agrees with the quality assurance inspectors. We are very lucky to be located in a destination that is so rich with culinary, wine and history.”

Harbour House Hotel is part of Niagara's Finest Inns, a collection of small luxury hotels including Shaw Club Hotel & Spa and the Charles Inn, located in Niagara on the Lake.
